Eye Badly Hurt

Dillard Summers, while working for the city of Earlington Wednesday afternoon, met with a very serious accident. He was using a sledge hammer crushing some rock, when a piece of the rock flew off hitting him directly in the right eye ball. The sight was cut in two, the eye ball being split open. Dr. Eldred Davis was called on the case and the city secured the additional service of Dr. Sam Baker, of Madisonville, the eye specialist, who pronounced it a very bad wound. Nothing definite can be told yet, but the chances are it will be necessary to operate on Mr. Summers and remove the entire eye ball. There is practically no chance of his ever recovering his sight in that eye. He is at present in the St. Bernard hospital, and the city officials are seeing that he receives the best medical attention and nursing.

This is the first occasion on record where a public official of such prominence has taken part in a tour of this character.

REAPING BENEFIT.

From the Experience of Earlington People.

We are fortunate indeed to be able to profit by the experience of our neighbors. The public utterances of Earlington residents on the following subject will interest and benefit thousands of our readers. Read this statement. No better proof can be had.

Perry McCulley, Baptist Hill St. Earlington, Ky., says: I never had an idea that I would allow my name to be used in connection with a medicine testimonial but I believe that it is my duty to recommend Doan's Kidney Pills, procured at the St. Bernard Drug Store. The effect of this remedy on my system was gratifying. Before I finished the contents of two boxes, my kidneys were restored to their normal condition and the pains in my back were removed. In fact, my health improved. Taking into consideration my advanced age, this speedy cure was nothing less than remarkable.

These women are only a few of thousands of living witnesses of the power of Lydia E. Pinkham's Vegetable Compound to cure female diseases. Not one of these women ever received compensation in any form for the use of their names in this advertisement—but are willing that we should refer to them because of the good they may do other suffering women to prove that Lydia E. Pinkham's Vegetable Compound is a reliable and honest medicine, and that the statements made in our advertisements regarding its merit are the truth and nothing but the truth.

Pale Faces

Pale-faced, weak, and shaky women—who suffer every day with womanly weakness—need the help of a gentle tonic, with a building action on the womanly system. If you are weak—you need Cardul, the woman's tonic, because Cardul will act directly on the cause of your trouble. Cardul has a record of more than 50 years of success. It must be good.

It is a very serious matter to ask for one medicine and have the wrong one given you. For this reason we urge you in buying to be careful to get the genuine—

THE FORD'S BLACK-DRAUGHT Liver Medicine

The reputation of this old, reliable medicine, for constipation, indigestion and liver trouble, is firmly established. It does not irritate other medicines. It is better than others, or it would not be the favorite liver powder, with a larger sale than all others combined.

Bladder Trouble Causes Terrible Pains.

After taking a trial bottle of Dr. Kilmer's Swamp-Root which you forwarded to me, I purchased some from a local drug store and after using three dollar bottles I can truthfully say that I was cured of all the terrible pains I had in my back, side and head, caused by bladder trouble. I had the worse kind of kidney trouble and suffered so that I could not even stay in bed with the pain. Dr. Kilmer's Swamp-Root made me feel just like a new person and I am glad to recommend it to anyone suffering as I did.

Very truly yours,
MISS MARY ARDNER,
Defiance, Ohio.

Sworn to before me and in my presence subscribed by the said Miss Mary Ardner, this 16th day of July, 1901.

Plans are being made to have the Forty-sixth Annual Convention of the Kentucky Sunday School Association the largest and greatest ever held in the state. The music will be in charge of Prof. E. O. Excell, of Chicago, the famous choir leader and musical author, he will be assisted by Mr. A. W. Roper as pianist. These two had charge of the music at the World's Sunday School Convention in Washington last year and the International Sunday School Convention in San Francisco last June. There are none better in the world, and Kentucky is to be congratulated upon getting such musical attraction for its convention.

A great storm passed over Earlington last Tuesday night. It struck only only house; that was the home of Rev. J. B. Evans. About 9 o'clock while the Reverend was busy reading he heard many voices join in a good old familiar hymn some distance from his house. Soon the house was full of the Mt. Zion Baptist church laden with flour, sugar, coffee, potatoes, corn, preserves, pickles, apples, oranges, tomatoes etc. Mrs. Bell presided at the piano. Prof. Bell in a few chosen words presented gifts from the 60 or more
